

## RECRUITING ACKNOWLEDGEMENT

I understand that taking this course does not obligate me to affiliate with any particular real estate firm. Furthermore, I understand that the school instructors may not engage in any sort of recruiting.

I will receive a form to share my contact information if I am interested in being contacted by recruiters.

Any concerns about these requirements should be shared with the Real Estate Education Committee, Delaware Division of Professional Regulation, 861 Silver Lake Blvd., Dover, DE 19901.
